

Spreyton School
Key Stage Two Rolling Programme
Year A

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Title	Bright Lights		Living Things		Temples and Treasure	
Maths	Number Sense - Place Value Additive Reasoning – add, subtract, money, data	Multiplicative Reasoning – multiplication, division, problems Geometric Reasoning – 2D, 3D, angles, turn	Number Sense – place value, roman numerals, rounding Additive Reasoning – add, subtract, measures	Number Sense – fractions, %, algebra Multiplicative Reasoning – mult, div, fractions, ratio, problem solving	Geometric Reasoning – 2D,3D, position & direction, 4 quadrants Number Sense – place value, time, decimals & fractions	Additive Reasoning – add and subtract fractions and whole numbers Multiplicative Reasoning – long div and mult, mult and div of fractions
English	Just So Stories	A Dove of Bullocks Poetry - Bethlehem	Recount The Mouth Organ Boys	Rainforest Rough Guide Non Chrono report	Newspaper report Biography	Poetry – Haiku Newspaper report
Science	Electricity.		Animals including Humans – teeth, digestion(Yr4) Circulation (Yr6)		Forces and Magnets	Earth and Space
Geography			World Around Us – including equator, North/South Hemisphere, Artic, Antarctic and time zones.			
History	British History that extends pupils' chronological knowledge beyond 1066 e.g. legacy of Greek or Roman culture, Battle of Britain (WW1 and WW2), crime and punishment. WWI				Early civilisations. World History – Ancient Egypt	
RE	Blocked RE Weeks each term					
Art	Self Portrait Sketch Books		Landscapes Sketch Books		Digital Art Sketch Books	
DT		Use electrical systems in products. Inventions Christmas Lights.		Moving Animals		Cooking Nutrition
Music						
MFL	<u>Numbers Y3+4</u> - to 50 <u>Numbers Y5+6</u> - to 100		<u>Daily routine phrases Y3+4</u> - Days of the Week - I get up, I get dressed, I go to school, we have lunch, bedtime etc <u>Daily routine phrases Y5+6</u> as above linked with connectives and using opinions		<u>Animals Y3+4</u> - I have ... pets <u>Animals Y5+6</u> - I would like ... pets - My favourite	
Computing						
PE	Dance Unit3 Unit5 Invasion Games Unit1 Unit3		Swimming Unit2 Gymnastics Unit3 Unit5		Athletics Unit2 Striking & Fielding Unit1 Unit2 Outdoor Adventures Unit2 (Incl. PGL Trip – Yr6) (Incl. Residential – Yr3/4)	
PSHE	New Beginnings -Safety education child protection	Say No to Bullying -Anti-bullying education -Citizenship	Going For Goals -Drugs education -Citizenship (financial capability)	Good To Be Me -Emotional health and well-being -Healthy eating	Relationships -SRE	Changes -PSHE

Spreyton School
Key Stage Two Rolling Programme
Year B

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Title	Survival		Stone Age Britain		Ancient Greece	
Maths	Number Sense - Place Value Additive Reasoning – add, subtract, money, data	Multiplicative Reasoning – multiplication, division, problems Geometric Reasoning – 2D, 3D, angles, turn	Number Sense – place value, roman numerals, rounding Additive Reasoning – add, subtract, measures	Number Sense – fractions, %, algebra Multiplicative Reasoning – mult, div, fractions, ratio, problem solving	Geometric Reasoning – 2D,3D, position & direction, 4 quadrants Number Sense – place value, time, decimals & fractions	Additive Reasoning – add and subtract fractions and whole numbers Multiplicative Reasoning – long div and mult, mult and div of fractions
English	Info texts related to Geography Journey Story	Shackleton story (BTS) Instructions linked to DT Biography	Secrets of Stonehenge(BTS)	Stone Age Boy/Ug Info texts	Myths and Legends	Info texts Explanations
Science	Light	States of Matter	Rocks	Plants Yr3	Plants Yr3 Living Things and their Habitats	
Geography	Our World – A quick investigation of countries around the world with the theme of survival in extreme environments. Look at countries with jungles, deserts, mountains, cold regions, etc.		Settlements and Land Use		Mountains

RE	Blocked RE Weeks each term					
Art	Use of colour – hot colours, cold colours, mixing, Leading to landscape painting related to Geography			Cave paintings		Local Artist Sculpture Gardens Andy Goldsworthy Barbara Hepworth
DT		Bag Carriers Textiles – reusable items Christmas Fair	Cooking Nutrition		Use computers to design environment	
Music	Music appreciation – Styles of music through history		Learn to play drums – Djembe		Composition – make a piece of music to accompany Greek Myth – link to play	
MFL	<u>At Home Y3+4</u> - I have ...family members - Rooms in the home, numbers of rooms and colours <u>At Home Y5+6</u> as above linked with connectives and using opinions		<u>At School Y3+4</u> - Classroom instructions - Colours - Classroom objects - Subjects - My favourite ... <u>At School Y5+6</u> - as above linked with connectives and using opinions		<u>In Town Y3+4</u> - Shops, landmarks - Left and right <u>In Town Y5+6</u> - as above linked with connectives and using opinions e.g on Monday I went to the swimming pool and the bakery	
Computing	E-Safety Programming using Scratch	Debugging programs	Using the internet for research		Multimedia presentations	
PE	Dance Unit4 Unit6 Invasion Games Unit2 Unit4		Swimming Unit2 Gymnastics Unit4 Unit6		Athletics Unit1 Unit3 Net & Wall Games Unit1 Unit2 Outdoor Adventures Unit3 (Incl. PGL Trip – Yr6)	
PSHE	New Beginnings -Safety education child protection	Say No to Bullying -Anti-bullying education -Citizenship (difference and diversity)	Going For Goals -Drugs education	Good To Be Me -Emotional health and well-being -Healthy eating	Relationships -SRE	Changes -PSHE -Physical and social environment

Spreyton School
Key Stage Two Rolling Programme
Year C

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Title	Art Attack		Chocolate Heaven		Smashing Saxons	
Maths	Number Sense - Place Value Additive Reasoning – add, subtract, money, data	Multiplicative Reasoning – multiplication, division, problems Geometric Reasoning – 2D, 3D, angles, turn	Number Sense – place value, roman numerals, rounding Additive Reasoning – add, subtract, measures	Number Sense – fractions, %, algebra Multiplicative Reasoning – mult, div, fractions, ratio, problem solving	Geometric Reasoning – 2D,3D, position & direction, 4 quadrants Number Sense – place value, time, decimals & fractions	Additive Reasoning – add and subtract fractions and whole numbers Multiplicative Reasoning – long div and mult, mult and div of fractions
English	Willy's Pictures by Anthony Browne	Instruction Explanation	Non chrono report	Sea Tongue	Debate – fair trade	
Science	Electricity	Animals inc. humans Yr5	Properties & changes of Materials.		Forces	All Living Things Yr5
Geography		Climate, biomes and vegetation belts around the globe		Rivers and the Water Cycle	Economics and trade links	
History	Paintings through time		Non-European society compared with British history Mayan civilisation			Anglo-Saxons and Scots
RE	Blocked RE Week each term					
Art	Historically important artists Sketch Books		Mayan art sculpture Sketch Books			Pottery Sketch Books
DT		Use electrical systems in products.	Cooking with chocolate	Product design Packaging	Early Transport Cams, wheels	
Music	Music through Art Listening and composition		Singing vocal performance – adverts, jingles for chocolate bar		Learning to play recorders	
MFL	<u>Numbers Y3+4</u> - to 50 <u>Numbers Y5+6</u> - to 100		<u>Daily routine phrases Y3+4</u> - Days of the Week - I get up, I get dressed, I go to school, we have lunch, bedtime etc <u>Daily routine phrases Y5+6</u> as above linked with connectives and using opinions		<u>Animals Y3+4</u> - I have ... pets <u>Animals Y5+6</u> - I would like ... pets - My favourite	
Computing	E-Safety & Emails		Multimedia		Programming and debugging	
PE	Dance Unit3 Unit5 Invasion Games Unit1 Unit3		Swimming Unit2 Gymnastics Unit3 Unit5		Athletics Unit2 Striking & Fielding Unit1 Unit2 Outdoor Adventures Unit2 (Incl. PGL Trip – Yr6) (Incl. Residential – Yr3/4)	
PSHE	New Beginnings -Safety education child protection	Say No to Bullying -Anti-bullying education -Citizenship	Going For Goals -Drugs education (financial capability)	Good To Be Me -Emotional health and well-being -Healthy eating	Relationships -SRE	Changes -PSHE -Physical and social environment

Spreyton School
Key Stage Two Rolling Programme
Year D

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Title	Home is where the heart is!		The Vikings are coming!		Romans	
Maths	Number Sense - Place Value Additive Reasoning – add, subtract, money, data	Multiplicative Reasoning – multiplication, division, problems Geometric Reasoning – 2D, 3D, angles, turn	Number Sense – place value, roman numerals, rounding Additive Reasoning – add, subtract, measures	Number Sense – fractions, %, algebra Multiplicative Reasoning – mult, div, fractions, ratio, problem solving	Geometric Reasoning – 2D,3D, position & direction, 4 quadrants Number Sense – place value, time, decimals & fractions	Additive Reasoning – add and subtract fractions and whole numbers Multiplicative Reasoning – long div and mult, mult and div of fractions
English	Michael Morpurgo – Author Study	Instructions Explanations	Debate Instructions		Escape from Pompeii by Christina Balitt	Explanation texts
Science	Sound	Animals including Humans Yr6	All Living Things Yr6		light	Evolution and Inheritance.
Geography	Similarities and differences in human and physical geography of UK, Europe, region in N or S America		Counties – topography of UK		Earthquakes and Volcanoes	
History	Local History Study		Viking and Anglo-Saxon struggle for England up to the time of Edward the Confessor.		Roman Empire and its impact on Britain. Play based on Boudicca
