

Spreyton School Music Overview

Our music curriculum is based around the sing up resources. We have decided to prioritise learning instruments in KS2, and are focusing on 3 instruments throughout the key stage – ukulele, recorder and percussion. These instrument based units intersect with the music curriculum to provide a wide range of experiences for our children, who will build on their skills and knowledge through the years they are at Spreyton. As their skills build through the years, the parts they take on while learning songs will increase in complexity, allowing for progression whilst being taught in a mixed age class. Reception children are taught music separately using EYFS Sing up units. For year 1 -6, units have been chosen to ensure coverage of the curriculum across both Key Stages, with units building across each academic year.
