

Spring Term Curriculum Letter

Welcome back! I hope everyone had a wonderful Christmas break.

This term our topic will be Chocolate! We will be learning about the history of chocolate, its production, fair-trade chocolate and reading Charlie and the Chocolate Factory.

English will be based on the book Charlie and the Chocolate Factory, the children will be learning to write character and setting descriptions and finally writing their own chapter. We will also continue with daily grammar lessons and to learn spellings weekly. In Maths we will be learning about fractions and formal methods for multiplication and division; applying these skills to problem solving.

There will be a continued focus on learning times tables and the associated division facts this term. The children will be given a times table to learn and I will test them on Fridays. The children are also expected to read to an adult for at least 15 minutes a night. Please ensure that you listen to your child read aloud even if they are in Year 5 or 6! It is important to check their fluency and understanding.

PE this half term will be netball and gymnastics which will take place on Tuesday and Friday, kit should be in school all week.

Regards

Mr Marriott
