

Summer Term Curriculum Letter

Welcome back! I hope everyone had a good Easter break.

This term in History, we will be studying the Anglo-Saxons. We will make links in our English by studying Beowulf, kennings and riddles. We will also be making moving monsters in DT, using cams. I hope to be able to arrange a trip to link with the topic but I need to ensure any trips are safe and COVID secure.

After half term our Geography topic will be rivers and the water cycle and again I hope we can get out onto Dartmoor as part of this topic.

PE will be on Tuesdays and Fridays this term. The children will have the opportunity to work with a dance teacher this half term which will be interesting and exciting, as many of them will tell you my dance teaching skills are a bit lacking to say the least!!

I am hoping to arrange some trips for the children this term, however, this will be dependent on the easing of restrictions by the government and guidance from Devon County Council. I will inform you as soon as I can.

I expect the children to read for at least 20-30 minutes each evening, learn their spellings for Wednesdays and practise times tables for Fridays.

Let's hope for a more normal summer term which the children can enjoy!!

Regards

Mr Marriott
