

PEDPASS PE FUNDING SPEND

Spreyton Primary School

1st April 2018 – 31st March 2019

Total Allocation = £16,272.00.00 + £1,744.15 = £18,016.15

Expenditure = £18,284.00

We used the money to ensure that:

- All children benefit regardless of sporting ability
- The most able children are given more opportunity to compete in tournaments with other schools
- Staff have access to training opportunities to improve the quality and breadth of PE in school
- Increase participation in PE and sport to ensure healthy lifestyles for all children
- Subsidise activities to ensure that pupils do not miss out due to financial constraints

Government funding was increased in September 2018. The total allocation includes 7 months of the additional funding.

<p>Spreyton Staff: Continued use of OAA staff based at Coplestone to take groups over for OAA activities once per term for both KS1 and KS2 classes. Additional TA support to run dedicated lunchtime PE based activities and assist with the delivery of PE as part of the curriculum and in after school clubs. Additional staffing allows teachers to differentiate to a greater depth giving both less and more able children the support or extension that they require and to continue the expertise provided for Achieve4All over the rest of the week</p>	<p>£1000.00 Transport: £70 per visit x 3 = £210.00 £6,279.00</p>
<p>Bought in Services: Continued employment of Achieve4All to provide specialist sports training, CPD for staff and after school clubs every week. Variety of sports offered across all ages from years 3 – 6 each week. Provision for KS1 has been implemented using Achieve4All.</p>	<p>£5,700.00</p>
<p>Spreyton Clubs: In addition to the club provided by Achieve4All we will offering running club, Zumba classes and a netball club.</p>	<p>£245.00</p>
<p>Spreyton Trips: Activity days to Haven Banks for KS2 which includes canoeing, climbing and caving and Tree Surfers for high rope coarse, archery and team building activities.</p>	<p>£800.00</p>
<p>Spreyton Equipment: Equipment for both KS1 and KS2 playgrounds, OAA resources and purchase of sports equipment to upgrade our PE lessons and sports clubs and purchase of equipment to support Achieve4All provision.</p>	<p>£1,945.00</p>

Overhaul of gymnastics equipment and replace and upgrade current equipment. Refurbishment of outside area to include remarking of playground, new equipment and undercover area.	£1,005.00
CLC PE & Sports Partnership and PE Trips: Take part in several events over the year to include year 5/6 tag rugby, year 3/4 gymnastics and dance, year 3/4 orienteering, year 1/2 multi skills, year 5/6 cricket and rounders, year 5/6 athletics day. Transport to and from events and activity days.	£1,100.00
Total	£18,284.00

100% of children in year 6 could swim 25 metres before they left primary education. They have had private lessons paid for by parents outside of the school setting and school lessons paid for from the curriculum budget and parental donations in the year's prior to being year 6. No top up sessions were required.

£267.85 to be deducted from next year's budget allocation.

Within KS1, staff deliver 1 hour of PE weekly and children also have 20 minutes daily activity. We are beginning to hold extra clubs for KS1 children and this is already having an impact on the children's progress and attainment in PE. Due to the commitment of KS1 staff ensuring that children have better opportunities to take part in competitive and non-competitive sport.

Within KS2, a wide range of PE/Sports lessons and after school clubs are taught throughout the school which aim to engage and inspire all pupils – these include, netball, multi-skills, and a running club . They are taught by class teachers and external providers to ensure expert coaching as well as inclusive participation.

School teams have entered local learning community (LLC) tournaments, held inter school matches and entered into wider based competitions. We have taken part in the following tournaments:

CLL Swimming Galas
Cricket Tournament run by Chagford CC

All year groups from Year 1 have the opportunity to attend sports festivals within the local learning community at least once a year. These enable the children to meet other children from different schools, learning both to collaborate with and compete against new people. The children also learn new activities and challenges and gain knowledge of different tactics for different sports. Teachers actively encourage those not taking part in after school clubs to find alternative ways to develop healthy lifestyles. We promote local clubs and holiday activities via our weekly newsletter and a distribution of flyers.

Sports Grant Impact

- Staff are confident to deliver sport and access expertise as necessary
- More children involved in activity both formal and informal
- All year groups from year 1 and above will have participated in LLC sporting activities

- All teachers are enthusiastic and consistent in their approach to the quality first teaching of PE
- There are more after school clubs available and more children taking part in these clubs
- More children engaged in active play

For the next year (2019/2020) we plan to spend our PE income as follows:

Total Allocation = £16,210.00 - £267.85 overspend = £15,942.15

<p>Spreyton Staff: Continued use of OAA staff based at Coplestone to take groups over for OAA activities once per term for both KS1 and KS2 classes. Additional TA support to run dedicated lunchtime PE based activities and assist with the delivery of PE as part of the curriculum and in after school clubs. Additional staffing allows teachers to differentiate to a greater depth giving both less and more able children the support or extension that they require and to continue the expertise provided for Achieve4All over the rest of the week. Investigate employment of an additional member of staff, who is a PE specialist, for an hour per day to improve lunch time activities.</p>	<p>£1000.00 Transport allowance: £80 per visit x3 = £240.00 £6,279.00</p>
<p>Bought in Services: Continued employment of Achieve4All to provide specialist sports training, CPD for staff and after school clubs. Variety of sports offered across all ages from years 3 – 6 each week. Continued provision for KS1 using Achieve4All.</p>	<p>£4,700.00</p>
<p>Spreyton Clubs: In addition to the club provided by Achieve4All we will offering running club, Zumba classes and a netball club.</p>	<p>£200.00</p>
<p>Spreyton Trips: Activities at Wildlife Experience residential to include bush craft, fire lighting, orienteering and other OAA based activities</p>	<p>£800.00 allowance</p>
<p>Spreyton Equipment: Equipment for both KS1 and KS2 playgrounds, OAA resources and purchase of sports equipment to upgrade our PE lessons and sports clubs and purchase of equipment to support Achieve4All provision. Provision of new outside storage area for all outdoor equipment including bikes, trikes, scooters, etc.</p>	<p>£1,000.00 £540.00</p>
<p>CLC PE & Sports Partnership and PE Trips: Take part in several events over the year to include year 5/6 tag rugby, year 3/4 gymnastics and dance, year 3/4 orienteering, year 1/2 multi skills, year 5/6 cricket and rounders, year 5/6 athletics day. Transport to and from events and activity days. Allowance for top up swimming for Year 6 children who cannot swim 25 meters</p>	<p>£1,100.00 £290.00 allowance</p>

Total	£16,149.00
--------------	-------------------

The overspend of £206.88 will be deducted from next year's allocation.

As a federation Outdoor and Adventurous Activities (OAA) provision is being expanded at all schools. The inclusion of OAA in the PE Curriculum is an indication of the value that we place on such activities. Although not a compulsory element of the national PE curriculum at KS1 we have chosen to include to enhance our provision of OAA at KS2.

Activity days to enhance the experience of different sports will be booked this year as there is no residential.

Outdoor education, or more recently outdoor learning, is an approach to education which is concerned with the development of young people. It is an organised approach to learning in which direct experience is of paramount importance. The term learning in the outdoors embraces experiences and activities that:

1. Normally take place outside
2. Frequently have an adventurous, challenging or learning component,
3. Generally involved physical activities and
4. Always respect the environment.

The term OAA has been chosen because there is an essential need for adventure and challenge in the education of young people. In addition, when children participate in OAA they are consolidating other areas of PE such as developing motor skills, confidence and competence in the outdoor environment as well as mental and physical challenges. They may or may not be of a competitive nature. Most importantly they will also be learning the principals of safety.

Examples of OAA which we teach to pupils:

- Orientation and Orienteering
- Scavenger Hunts
- Trails
- Team building
- Adventure games
- Problem solving activities
- On site Camp Craft Skills.

We have reviewed how to use the additional PE support funding which has been allocated to schools from September 2017. We have purchased the expertise of Achieve4All who will work with staff and pupils to ensure that the extra money will have a positive impact on children's enjoyment and uptake of physical activities and promote healthy lifestyles.
