Hare Class Cooking

This week in our topic we have been learning about what Vikings eat. We were very curious how food tastes so decided to try some of their recipes:

Viking Stew

Apple, Bacon dessert

Soda, oat bread with honey

We all enjoyed it and had second helpings!

COVID

At the time of writing, we currently have 4 children still isolating as they have not received a negative result. We have only had one new case this week which was on Tuesday. Most of the children should return on Monday as they would have finished their 10 day isolation period (they haven't been able to return sooner as they have not received a negative result on day 5 and day 6).

For future reference, if your child is off due to COVID, please could you let the office know when they have their first negative test so that it helps to know when to expect them back to school.

Film Night

The PTA will be holding another film night after school on Friday 11th February from 3.30. The film will be Encanto and there is a £3 charge per child. Permission slips have been sent home today. Children that are off will get a permission slip as soon as they return. Please collect your child from school at 5.30pm. Parents of younger children are welcome to stay.

Stars of the Week

Swallow Star of the Week is	Harry - for excellent understanding and passion for multiplication this week, trying really hard with joined handwriting and positivity in all aspects of new learning.
Hare Star of the Week is	Sahra - for learning our Spring poem by heart and reciting in front of the class and having lovely creative ideas whilst planning and writing her own Spring poem.
