Haldon Forest Trip

Swallow Class had a wonderful time doing the Superworm trail. It was a long walk, but there was plenty of things to spot and do on the way, and they really enjoyed just being in the woods on a lovely January day playing and running around! There will be some tired children tonight!

WOW Project

The Eco Team (Eva, Amelie, Alba, Jacob N, Molly, Sofia and Harry) had a great day on Wednesday kicking off the WOW project. This will go on through the spring and summer term and started with a look at all things related to waste in the school. They came up with some good ideas about what they want to get out of the project and Alex is coming back to some action planning—watch this space!

PTA Dates

The PTA will be holding another film night after school on Friday 11th February—further details will be sent out next week.

They have also arranged for another Bag2School collection which will be on 25th March 2022.
