Friday 22nd March—Whole school walk on Dartmoor (weather permitting)

Thursday 28th March—End of Term Assembly at the Village Hall at 2pm. All parents are welcome to attend, children can go home after the assembly has finished

Message from Mrs Donne

Our word of the week this week is bemused. I look forward to hearing about the children using this one in everyday life! Should be a bit easier than detritus!

We raised £32 for Comic Relief today—thank you to everyone who donated towards this charity.

News from Swallow Class

We have been working hard this week on information texts - learning about titles and sub titles, paragraphs, 3rd person writing and past tense. Y2s have been getting really good at multiplication, starting to learn the 2 x table. We've had some lovely topic lessons looking at Kenya and the Maasai people, and how they live, and talking about the rainforest habitat and why it's in danger. Mrs Stevens has been helping the children progress with their drawing skills, drawing African animals.

Due to a meeting being rescheduled we will no longer be able to have 'Share Our Learning' on the last Wednesday of term, I'm looking into potential dates and will let you know as soon as possible

News from Hare Class

This week we have been studying Stonehenge and have learnt about how it was built and speculated about what it was built for! We also built our own version that is aligned to the midsummer sunrise. The children did an amazing job, I'm sure you will agree.

Stars of the Week

<p>Swallow Star of the Week is</p>	<p>Ragen - for working really hard to learn and follow our school rules and routines, smashing her phonics work, and being kind, friendly and a fun person to have in our class. What a brilliant first full week! We are very proud of you.</p>
<p>Hare Star of the Week is</p>	<p>Anna - for establishing yourself as a really important part of Spreyton School. She has a great approach to learning and has proved to be a wonderful friend. Her kindness and generosity are truly remarkable.</p>
