Message from Mrs Donne

Word of the week this week is listless. The children were feeling a bit listless after PE, and I think we may have a few listless children on Tuesday after the bank holiday!

We're hoping for some good weather next week so we can take Hare Class to the handball event, and we've also got Really Wild Learning coming in on Thursday to show us lots of different weird and wonderful animals!

News from Swallow Class

We've now released all our tadpoles, thank you to the Gillards for letting us come and go from the pond to release them! We have released over 30 froglets into the pond, and it's been fascinating to watch them grow and change. Butterflies will be next! They are in their chrysalises and we're just hoping they manage to hatch out. We've also been looking at woodlice and setting up different environments for them to see what they prefer. And writing our own version of The Disgusting Sandwich which the children have done really well at!

News from Hare Class

This week the children have finished their excellent animal stories. They have experimented with making 3-D shapes in lots of ways and had a very exciting and competitive Handball game in preparation for the tournament next Tuesday!

Stars of the Week

Swallow Star of the Week is	Ethan - for being ON FIRE with phonics at the moment! Trying really hard with writing, and being a kind, fun and knowledgeable member of the class.
Hare Star of the Week is	Phoenix - for making a fantastic start in Hare Class. She has already proved to be a fun and kind friend. Phoenix is really creative and ready to give her best to all of the different activities that we do. Amazing!
