## Dates for the Diary

Tuesday 29th April—QE Handball event for Hare Class. If you have not ordered a school packed lunch, please remember to send a home packed lunch. Children to wear PE kit.

Tuesday 29th April—Drum Lessons

Wednesday 1st May—Mrs Donne out all day (Emma Rowe to cover the morning)

Wednesday 1st May —Achieve4All After School Club.

Thursday 2nd May—Flute Lessons

Tuesday 7th May—Drum Performance at 1.15. Parents are welcome to come to school for 1.15pm to watch the drum performance (even if your child does not take drum lessons!).

Thursday 9th May—Really Wild Learning will be visiting school and bringing a selection of animals for their educational workshop. Thank you to the PTA for funding this great experience.

## Message from Mrs Donne

Our word of the week this week is metamorphosis, which is not only one of my favourite words, but as both classes are learning about lifecycles this term and we have butterflies and frogs completing their metamorphoses in the classroom, it seemed like a good one to use!

Plans are now afoot to get the mosaic up finally over half term. Very excited to see it in place!

## News from Swallow Class

We have learnt about the lifecycle of a frog this week in our lifecycles science lesson, which has been really hands on with the tadpoles growing in our aquarium for the last few months. We've slowly started releasing the froglets back into the pond as they are ready. We've also been looking at the microhabitat of the compost bin in our habitats and food chains session. We're still working on The Disgusting Sandwich in English, starting to plan our own version and practising writing.

## News from Hare Class

This week the children have made superb collages to show the features of mountains. They have created improvised drama conversations in English and we learnt how to play handball in preparation for next weeks event at QE.

# Stars of the Week

<p><b>Swallow Star of the Week is</b></p>	<p><b>Alex</b> - for being the best 'tadpole dad' there is! Alex has taken such an interest in their care and development, it's been lovely to see. He has also made big steps with organisation and thinking independently - nearly ready for Y2!</p>
<p><b>Hare Star of the Week is</b></p>	<p><b>Noah</b> - for making a brilliant start to the term. He has kept up the superb standard of work that he is known for and I can't wait to read his story next week. What has been extra noticeable this week is how he has shown again that he is a wonderful, caring person that supports his friends.</p>
