Friday 5th July—Swallow Class 'Share our Learning' starting at 2.50pm.

Message from Mrs Donne

So sorry if postponing sports day led to any inconvenience for anyone, fingers crossed the weather will pick up again for next week! It's been great to see children out at QE twice this week. For children that will go to QE, it makes such a difference to their transition if they're familiar with the site and some of the staff, so we'll continue to take advantage of the opportunities to enrich our curriculum through this link.

News from Swallow Class

Bit of a strange week with me being ill, but the children have had great fun practicing the play, and we've finished off our learning on the book 'The Dark' by writing the story from the dark's perspective. We've also made scones as part of our learning about the UK, and been answering the question - do we eat plants? And what part of a plant can we eat?

News from Hare Class

Year 5 and 6 had two very successful trips to QE this week. They competed brilliantly in the Athletics tournament and engaged excellently in the Quogwarts day yesterday. Their behaviour and attitude is a real credit to themselves and all of us!

Stars of the Week

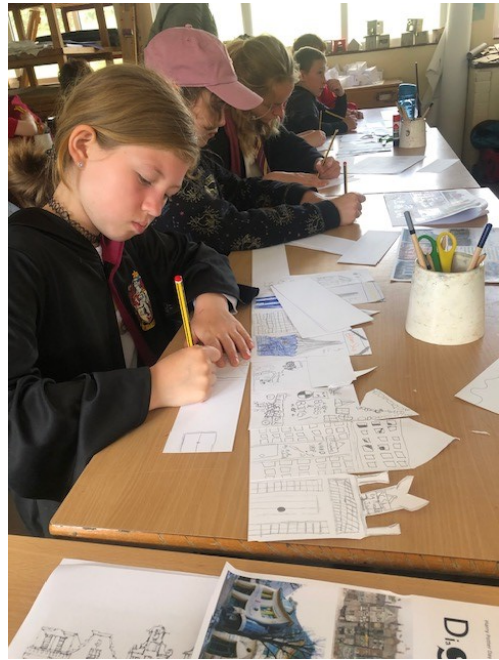

Swallow Star of the Week is	Elodie - for fantastic learning in the classroom and out, wonderful swimming, and being a superstar climber!
Hare Star of the Week is	Phoenix - for being a fantastically creative person! She has impressed us all with her positivity and quiet determination. Phoenix is wonderfully polite, friendly and thoughtful. She is a star!

Menu W/C 01.07.24

Friday	Fish Fingers Cheese Omelette Ice Lolly	Jacket Potato School Packed Lunch

QE Quogwarts

Here are a couple of pictures from the QE Quogwarts day that Ava, Sahra, Ava and Raffie attended on Thursday.

Parking

Just a quick reminder to please be mindful where you park at pickup time to ensure that big vehicles can still get through the village. It's a good idea not to park outside the house with the laurel hedge next to the school as this is a bit of a pinch point.
