In Science we will learn:

About how humans change as they get older, including the human lifecycle, and how we keep ourselves healthy, including exercise, diet and hygiene.

In PHSE we will be learning:

Different types of feelings.
Change or loss and how this can feel.
Managing different feelings.

In History we will be learning:

About changes in technology in the last 60 years – looking at how we write, listen to music, entertainment, how we communicate. We will also look at important inventors related to these changes.

In Maths we will be learning:

Y1: Place Value to 10, including writing numbers with words, counting on, ordering and 1 more and one less. We are getting used to more formal maths lessons. **Addition and subtraction:** Using numbers to 10 to improve understanding of parts and wholes, fact families, number bonds and subtraction as counting back, how many left, and finding a part.

Y2: Place value within 100, adding and subtracting up to 100. Calculating with money.

Swallow Class Topic Map Autumn 2025

Happy Healthy Me!

In Art we will be learning: What is Abstract Art?

Identify primary colours.
Identify abstract and realism paintings.
Understand how art can cause an emotional response.
Learn about the work of abstract painters.

In English we will be using these books :

Y2: To use new punctuation correctly (speech marks, commas, aprostophes for contraction), and subordination. To write in a variety of styles.

Y1: To punctuate sentences with a capital letter and full stop or question mark, and

In RE we will be learning:-

Who is a Muslim and how do they live? Children will find out about Islam, key beliefs, and ways of living for Muslims.

Why does Christmas matter to Christians? Children will focus on religious artwork, and how Christians celebrate the key events

In PE we will:

To develop technique and body shape through different stages of vertical and horizontal jumping.

To develop stability and balance when using lunge techniques.

In Computing we will be learning:

Learning how to group data and creating pictograms. Children will use labels to put objects into groups and label these groups and to present data in the form of pictograms.

In Music we will be listening to a piece of music by Camille Saint-Saen. 'Aquarium' from the Carnival of Animals.

Experiment with sounds to create aquarium inspired music.
Learn to sing, Down there under the sea rhythmically and in tune.
