

Spreyton Primary Curriculum Web

Swallow Class (Y1/2) – Spring Term 2026

In Science we will learn:

About different materials. The difference between an object and the material it's made from, how you can manipulate different materials, and some fun investigating the best material to protect humpty and build the 3 pigs a house.

In Maths we will be learning:

Y1: We will kick off the term with place value to 20, and then addition and subtraction to 20, followed by place value to 50. Securing the basics.

Y2: We will be focussing on multiplication and division for the whole of this term.

In PE we will:

Children will re-cap developing techniques and body shape through different stages of vertical and horizontal jumping. They will move onto developing stability and balance when using lunge techniques.

In phonics Y1 will be learning:

Year 1 Spring 1		Year 1 Spring 2	
Phase 5 graphemes	New tricky words	Phase 5 graphemes	New tricky words
Week 1 fai g funny fai ee head fai wh wheel fai ee oo too shoulder	any many again	Week 1 fai ee word fai ee ee would fai ee are there fai ee our our author dinosaur floor walk	once laugh
Week 2 fai gh y fly fai ee ee three fai g gone fai ph phone	who whole where two	Week 2 fai ch igh match fai ture adventure fai ee ee happy fai ee ee father*	because eye
Week 3 fai ee ee apple mental fai ee ee spin	school call different	Week 3 fai ee water fai ee ee longer words: different fai ee ee word fai ee ee bear there	
Week 4 fai ee ee oo some mother young fai ee ee cheese fai ee ee mouse fence fai ee ee donkey	thought through friend work	Week 4 fai ee ee learn fai ee ee word fai ee ee whistle science fai ee ee ee the end of words: actor	
Week 5 fai ee ee ee code fai ee ee ee oo oo fruit soap fai ee ee ee ee ee ee fai ee ee ee ee ee ee ee fai ee ee ee ee ee ee ee ee		Week 5 fai ee ee school fai ee ee chfj fai ee ee ee ee freeze	

In PHSE we will be learning:

Keeping safe and managing risk -
safety in familiar situations, personal safety and keeping safe outside the home.

Swallow Class Topic Map Spring 2026

Happy Healthy Me!

In Art we will be learning about:

_How Can Artists Use Colour?

- How colours can work together
- Who was Ted Harrison?
- How can Ted Harrison inspire me?

In RE we will be learning: Who is a Muslim and how do they live? (part 2)

Children will learn about the 99 different names for Allah and the five pillars of Islam, focussing on the pillar of faith.

In Computing we will be learning: Programming quizzes

Children will initially recap on their learning from the Year 1 Scratch Jr unit and progress to creating their own quiz questions.

In History we will be learning:

About the Great Fire of London! It's a very inspiring topic, and a lot of historical skills learnt as well. We'll be taking a look at what London was like in 1666 and how the fire spread, as well as what changed as a result of the fire.

In Geography we will be learning:

About Tulum in Mexico. We will be comparing it to Spreyton and looking at the continents, oceans, and physical and human features.

In English we will be using these books :

Y2: To use punctuation correctly, to use commas to write lists.

Y1: To understand what a sentence is, punctuate it correctly and join clauses with 'and'. Use capital letters for names, places and days of the week.

In Music we will be learning:

Dancing and Drawing to Nautilus

- Learn about composer Anna Meredith
- Explore music using movement
- Compare pieces of music
