

KS2 Results Data 2026

There were no Year 6 pupils on roll for the academic year 2025/26.

The number of pupils in our Year 6 cohort is usually significantly below the national average for primary schools. Because of this small cohort size, caution should be exercised when interpreting any published assessment data. To safeguard pupil confidentiality, detailed attainment information is not published on this website.

The Department for Education's published performance information for our school can be viewed here: <https://www.compare-school-performance.service.gov.uk/school/113124/spreyton-school>

We are proud of the progress and achievements of all our pupils.
