Hare Class - Autumn Term 2026

Article 28 – Every child has the right to an education

As Scientists we will : (Y3-4)

Investigate electrical circuits. Following this we will examine aspects of magnetism.

(Y5-6) Explore circuit drawing, voltage and other advanced properties of electricity. Then we will examine gravity, friction, air resistance and other forces.

As Linguists we will:

Learn French numbers up to 50 and study French words related to names and greetings.

As Citizens we will: (PSHE/Mind Up)

We will cover these topics: Keeping safe and managing risk as well as Identity, equality and society.

As Geographers/Historians we will:

Study the Ancient Egyptians in all their unique glory. This will include: their gods, pyramids, writing and beliefs about the afterlife.

We will also undertake a 'Local Geography study' where we will study the city of Bristol.

As Mathematicians we will:

Everyone will start with 'Place Value' and journey through addition and subtraction; multiplication and division. Y4 will be measuring area and year 5 and 6 will learn about fractions; whilst Year 3 will also learn about 'shape'.

Hares Class Topic Map Autumn 2026

Ancient Egypt

Our Trip will be to Torquay Museum where we handle Ancient artefacts and role play Ancient Egyptian customs.

As Artists/Designers we will:

Look at monochromatic drawing in the context of drawing faces; as well as making clay sculptures.

As Readers and Writers we will:

Practise reading aloud individually as well as in groups. We will continue using 'comprehension crushers' texts linked to our topic.

Texts that we will study in English include: 'Cinderella of the Nile', 'A River (poetry)', 'Genius of the Ancient Egyptians' and 'The Most Wonderful Thing'.

Our Grammar learning targets include: adverbial phrases, conjunctions, advanced punctuation and effective page layouts.

As Athletes we will:

Develop our coordination and ball awareness skills by taking part in a range of athletic activities. The Achieve for All teachers will teach Tennis and Dance whilst Mr Middleton will teach Pickleball and Hockey.

In RE we will:

Study the unit 'What do Christians learn from the creation story?' and 'What matters most to Jewish people?'

In Computing we will: Focus on the programming element of the curriculum using the Scratch app to make games and virtual instruments.

As Musicians we will:

Follow the Sing Up scheme work around the song 'I've been to Harlem' as well as singing and rehearsing the handbells for Christmas. We also explore percussion!
