Swallow Class (Y1/2) - Autumn Term 2026

In Science we will learn:

About body parts, the 5 senses and the organs that are connected to them. We will also learn about the 5 different animal groups and what is distinct about them – reptiles, mammals, birds, amphibians and fish.

In Maths we will be learning:

Y1: Place Value to 10, including writing numbers with words, counting on, ordering and 1 more and one less. We are getting used to more formal maths lessons. **Addition and subtraction:** Using numbers to 10 to improve understanding of parts and wholes, fact families, number bonds and subtraction as counting back, how many left, and finding a part.

Y2: Place value within 100, adding and subtracting up to 100. Calculating with money.

In PE we will:

Children will use pushing and pulling actions to create movements and momentum

In phonics Y1 will be learning:

Week 1 review Phase 3 GPCs ai ee igh oa oo ar or ur oo ow oi ear	Phases 2-4: the 'pu' pull* full* push* to into I no go of he she we me be was you they all are my by sure pure said have like so do some come love were there little one when out what says here today	Week 1 Start a book light a pie first light and blue mouse light a balloon Week 2 Start a gap light a tiger first a paper Week 3 Start a snake light a time first a home first light and blue cat Week 4 Start a flower first light and blue new first a shell first a fish Week 5 Start a rabbit light a cat first a cat first a cat first a cat first light and blue cat	Handwriting practice These people do jobs My My My cat could would should our house mouse water saw
Week 2 air er /z/ s-es words with two or more digraphs e.g. queen thicker			
Week 3 Phase 4: CVC CCVC CCVC CCVC Phase 4 with long vowels			
Week 4 Phase 5 fall my play low my cloud low my toy feel my each			
Week 5 review longer words			

In PHSE we will be learning: Physical Health and Wellbeing

What keeps us healthy? – Eating well, the importance of sleep, basic health and hygiene.

Swallow Class Topic Map Autumn 2026

Superheroes!

In Art we will be learning: Monochromatic. In this drawing unit, children will learn about using a pencil to create lines, shapes, and values. They will develop some drawing skills that will start their primary school journey to becoming proficient as drawers. They will learn about the work of various artists and consider the different purposes that drawing can have.

In RE we will be learning:

We will be learning about our school and local community and Judaism ways of life including how the Torah is important to Jews.

In Computing we will be learning:

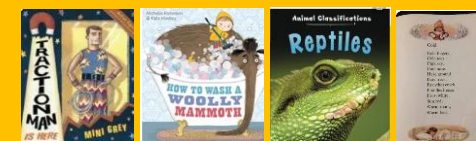

Children will start to become more familiar with the different components of a computer. They will also learn how to use a computer safely and responsibly

In History we will be learning:

About hospitals and healthcare in the past. We will learn about the significant figures Edith Cavell and Florence Nightingale.

In Geography we will be learning: about the world and our school. We will be making maps of our classroom, then looking at where the school, village and country are in the world.

In English we will be using these books :

Y2: To use new punctuation correctly (speech marks, commas, apostrophes for contraction), and subordination. To write in a variety of styles.

Y1: To punctuate sentences with a capital letter and full stop or question mark, and leave spaces between words.

In Music we will be learning: 'Aquarium' from *Carnival of the animals* (Camille Saint-Saëns) Children use their voices expressively and creatively by singing songs and speaking chants and rhymes. Play tuned and untuned instruments musically.
