

English

The children will study Escape from Pompeii as their main text looking at the structure of the story and then creating their own escape story. They will look at character analysis, setting descriptions, dilemmas and endings. They will also continue with guided reading and daily Phonics and SPaG

Maths

Drawing and making 2D and 3D shapes in different ways.

Accurate use of language when making, identifying, describing, comparing and sorting shapes.

Solving one-step and two-step problems

Tell the time from an analogue clock, including roman numerals, 12 hour and 24 hour clocks.

Science

The children will be investigating light this term; how light travels, how we see and how shadows vary during the day.

They will also be investigating inheritance and evolution, looking at the work of Darwin in formulating the theory of evolution.

Art/DT

Children will be designing and making mosaics, thinking about symmetrical patterns (maths link).

In DT the children will be designing and making props for the production.

ICT

The children will be making multimedia presentations linked to their History and Geography topics.

Romans

Summer Term

Music

The children will be learning songs for the summer performance.

History

In History the children will be learning about the Romans in Britain; why they invaded and their legacy.

PSHE

The children will be talking about how to keep their minds and bodies healthy. Discussing healthy lifestyles and mental wellbeing.

PE

PE will be Cricket, rounders and athletics this term.

RE

The children will be learning about and discussing what matters to Humanists and Christians and how these beliefs differ.
