## Message from Mrs Donne

Happy New Year! Lovely to see the children back and hear news of their holidays and family traditions. Don't forget to sign up for Lego Club on a Monday, Round the World Club on a Tuesday and Achieve for all club on a Wednesday for the half term if you haven't done so already.

## News from Swallow Class

Welcome to our new families that have joined us this term, Anna in Hare Class, Summer in pre-school and Lenny in Swallow Class. It's lovely to welcome you all to our school.

We have started our new unit of work in literacy this week - looking at traditional tales, Snow White in particular. Every time I teach this unit there are less and less children who are familiar with traditional tales - other than the ones which have been turned into Disney films! We are just finishing off our Ice Explorers topic this week before we start our new topic on the Great Fire of London next week.

## News from Hare Class

Welcome back to one and all, it's been a positive and great start to the term despite the weather! We have started our Geography topic in Settlements by making a large papier mâché model of a landscape that is going to develop from hut settlements to a mega city! Watch this space!
