Wednesday 8th November—After School Achieve4All Club

Thursday 9th November—Drum and Flute Lessons

Friday 10th November—Mr Middleton out of class for the morning—Emma Rowe to cover

Friday 17th November—Children In Need

Message from Mrs Donne

It's quite strange to have a normal Friday after our art project has taken up every Friday this term so far. Chloe and Steve from Meraki Art School have been brilliant with the children and got to know them all quite well over the 6 weeks. They have classes after school and in the holidays at their art studio in Exeter. You can find details at <https://www.merakiartschool.co.uk/>. It might be quite accessible for children as they already know the adults running the classes. Our mosaic that the children have made will be permanently displayed outside the school, I'm going to do an unveiling on Wednesday 29th November, more details to follow.

News from Swallow Class

It's been a funny old week, but we've managed to start quite a few things! Our new text in English is called 'Wanted, The Perfect Pet' and we've been learning about adjectives and expanded noun phrases. We've all started a unit in maths on addition and subtraction - Y1 to 10, y2 to 100. Our topic this term is called Ice explorers, we'll be looking at the cold parts of the world in geography, and some famous explorers in history.

News from Hare Class

This week we have started our jungles/deserts topic. The class did a brilliant job of using atlases to find the world's deserts. We also looked at Judaism and the festival of Hannukah—making candelabras for our version.

Stars of the Week

Swallow Star of the Week is	Livvy - for wonderful explanations in maths, approaching all aspects of learning with enthusiasm and positivity, and being a great role model for the younger children.
Hare Star of the Week is	Noah - for growing into Year 3 beautifully. He has found his confidence and is really showing us his amazing skills in every subject that we study. The pride that he takes and the effort that he makes are superb. We are so proud of you Noah.

As previously advised, the Christmas Fayre is being held on Friday 8th December straight after school at the Village Hall. Please see the attached document from the PTA for further information.
