## Message from Mrs Donne

Clubs for next term:

I'm pleased that we will be able to offer an after school club on 3 days of the week next half term. Lego club will move to a Monday, apologies for any inconveniences caused by this change. This will continue to be chargeable at £3.50 per session, to cover staff costs to run it. On Tuesday there will be a brand new club offered just for this half term, called 'Round the World' club. Each week we will learn a bit about one country. Sometimes tasting some food from that country, sometimes looking at the flag, the language or the animals that live there. I'll be running this club (there may be a South East Asian bias at play!) There will be a charge of £5 per child for the whole 5 weeks that this club will run. Achieve for all will continue to run multisports club on a Wednesday.

There will be a Rubik's Cube masterclass on Monday so if anyone has a Rubik Cube they are welcome to bring it in to school on Monday.

## News from Swallow Class

It's been mainly assessments this week and getting ready for Christmas! The nativity is taking shape and the children are being very responsible in their roles and looking after the preschoolers.

## News from Hare Class

This week we have been fitting in end of term assessments around Christmas creativity. Also, singing in church, at school and at a care home. The children sound great!

# Stars of the Week

<b>Swallow Star of the Week is</b>	<b>Alex</b> - for showing a really mature attitude in Swallow Class. He is often first to follow an instruction and show the preschoolers good listening (especially his brother!)
<b>Hare Star of the Week is</b>	<b>Essie</b> - E is for Effort and Essie always gives her best effort to whatever she is doing! Essie is very creative, very calm and is a very important member of Hare Class. We are so proud of her!

# Christmas Carol Singing

Our visit to Kenwyn Residential home was interesting! The residents really enjoyed the singing, and to see the smiles on their faces made it worthwhile and reinforced the value that Christmas is about giving to other people. I was so proud of our children for being polite, respectful and friendly in a very different environment that they probably haven't experienced before. They sang beautifully too. And we got chocolate and a visit to the amazing park in Cretton too.
