Message from Mrs Donne

Thank you to those who sent money in for our poppy appeal. We have been learning about why we celebrate remembrance, and made god's eye weaving poppies for a wreath, which we took down to the church this afternoon to put on the war memorial (please see pictures overleaf).

Our mosaic will no longer be unveiled on the 28th November, as I have a family funeral that weekend, it will be rescheduled as soon as possible! Watch this space! I'm really excited to see it on the wall.

News from Swallow Class

We've been continuing our English work on 'The Perfect Pet' this week, which has been fun. We've also been answering the question - could a polar bear eat a penguin? Looking at the different animals that live in the arctic and Antarctica.

It's been nice to spend some time thinking about remembrance and how the war affected our village.

News from Hare Class

This week Hare class have started preparing for the Christmas Fayre by making games and Christmas crafts to sell. As part of our Science, we have been investigating how sound travels using four different experiments. All of the children found this exciting and recorded some interesting findings.

Stars of the Week

Swallow Star of the Week is	Alex - for being ON FIRE with his learning! Showing a huge amount of maturity and beginning to be much more independent with his learning.
Hare Star of the Week is	Logan - for showing great focus and perseverance in his learning; joining in class activities with enthusiasm and working hard on his written work. Logan has also shown care and kindness helping pre-schoolers in the dining hall. Well done!
