Message from Mrs Donne

We have joined the QE Sports Partnership this year. This means that throughout the year the children will have the opportunity to try out many different sports at QE, starting with orienteering after half term. This will mainly be for Hare Class, but there is one session for Swallow Class too. It will be a good opportunity for them to mix with other schools, and also try out some different experiences.

It's been great to have had a positive response to flute lessons, there are enough children to go ahead with lessons, but it's not too late to sign up if you would still like to get involved.

Just a reminder that all parents are very welcome to come to assembly on a Friday, even if your child is not star of the week.

News from Swallow Class

Thank you to everyone who came to our 'Healthy Tea Party' today, it was lovely to see so many and I hope the children have taken on the healthy eating messages!

We have finished our instruction writing unit this week, and also our place value unit in maths and all children have made great progress in their assessments which is great to see!

News from Hare Class

This week we have combined our History, English and Design lessons into making and videoing amazing shadow puppet plays about explorers. Have a good half term break

Stars of the Week

Swallow Star of the Week is	Elodie - for a really amazing start to Year 2. She is independent in her learning, has smashed her latest phonics assessment, and I'm very much enjoying her being my Year 2 helper....
Hare Star of the Week is	Ava B - for being so dedicated and creative! Her descriptive writing has reached a level where she could easily be a professional writer. Her amazing appetite for reading really feeds her ability. In fact, she should definitely illustrate her own books because her artwork is so beautiful and accomplished. Amazing Ava!

I'm delighted to announce that our very own Ava Baxter has won 1st place in the 'Devon Young Artists' competition. Congratulations Ava! We are all very proud of you. Ava's work will appear in local papers, as well as being exhibited at Okehampton Museum of Dartmoor Life. Here's Ava's picture, which is stunning!

Date for your Diary
