Spreyton School Newsletter

Issue 03 22.09.23

www.spreyton-primary.devon.sch.uk

Dates for the Diary

Tuesday 26th September—Junior Lifeskills for Year 6 children

Wednesday 27th September—After School Acheive4All Club

Thursday 28th September—Drum lessons (if your child is interested in taking up drum lessons, they are welcome to see how a lesson is run with Tom (drum teacher), or Charlotte can let you have the contact details to sign your child up)

Thursday 5th October—Whole School Trip to Paignton Zoo

Message from Mrs Donne

Firstly, a big thank you to everyone who came to the 'Cream Tea and a chat' on Monday, it was wonderful to see so many parents and people from the wider community coming together. Thank you to Charlotte, and Sahra, Ava and Noah for helping with the drinks, they were thrown in the deep end somewhat with the amount of orders they took! I loved chatting to people who had been to this school as far back as 1939! Thank you all for being such a wonderfully supportive community.

Also a BIG thank you to Loo and Hannah for smartening up the notice board outside school. They decided it needed sorting, made a plan and got Elt to 3D print the letters to say Spreyton Primary School, and then came to tell me they were doing it. I can't tell you how grateful I am to them for sorting this.

The children had another great art session this morning, sculpting fish from clay. Chloe has taken them back with her to fire and then they will be ready for the children to paint. Please see pictures overleaf.

News from Swallow Class

Swallow Class have had a great week, really enjoying our work on Oi Frog, including generating some rhyming words for new animals, and learning about sentence types: statements, commands and questions (we had some fun commanding people!) We have been looking at things that are essential to human survival, and the difference between these and those things we want. In food tech we have been tasting different ingredients for our healthy party tarts we're making.

News from Hare Class

This week we are sending times tables resources home for the children to practice. This knowledge is a crucial foundation for their maths so please help them with it if at all possible. Many thanks.

Stars of the Week

Swallow Star of the Week is

Hunter - for making a superb start to Y1! Doing really well with more adult led learning, and showing a huge amount of **perseverance** with his writing.

Hare Star of the Week is

Essie - for being a total superstar! Essie has settled into Hares class brilliantly. We love her kind calmness and the way that she tries so hard with all her learning. She has already made progress and has really impressed Mrs Stevens and I.

Menu W/C 25.09.23

Monday	Mac & Cheese Roasted Vegetable Pasta Bake Berry Pancakes	Jacket Potato School Packed Lunch
