Monday 18th September - Community cream tea and parent forum

Message from Mrs Donne

It has been lovely to see the children back this week, enjoying the sunshine and settling in to their new year groups. Welcome to Ava, Livvy and their mum Rachel, and Jack and his mum Lucy to our school community, we are really happy to have you here.

On Monday 18th September I'm planning to do a cream tea for parents and members of the wider community. This will double up as a parents forum where you can chat to me about any ideas you have or anything you want to raise, and a social event to invite the wider community in to the school. I'll get a poster out around the village next week, but please do tell anyone who you think might like to come.

We look forward to welcoming Rhianna Webber to our school on Monday, who will be teaching Swallow Class on Mondays this year. My other times out of class are Tuesday and Wednesday afternoons. PE will continue on a Wednesday afternoon. The after school Achieve4All club will start next Wednesday (3.30-4.30). Please sign your child up through achieve4all.co.uk.

News from Swallow Class

We have been having fun with shops this week! As part of our new topic Happy Healthy Me! We have been making healthy snacks to sell in our shop to the other children. We've made bonbons, which are a bit like naked bars, oaty biscuits, and apple rings. This has led into some Math's on money, recognising coins and counting in 2s 5s and 10s to see how much money we have.

Show and tell will now be on Tuesdays.

News from Hare Class

The children have all started really brightly and it is a pleasure to be back. We are looking forward to our Explorers topic, stay tuned for details of our related trip!

Stars of the Week

Swallow Star of the Week is	Barnaby - for having a fabulous start to the term, showing great positivity as a mature Year 2 and being a great role model to the younger children.
Hare Star of the Week is	Logan - for joining in all of our lessons and working really hard. He has also played really nicely with his friends which is brilliant! We are all so proud of him.

If anybody has any spare pants (boys and girls) age 3 to 6 years, please bring them in to school as we are short on spare underwear.

Raffie has been having tennis lessons on Mondays but they are a bit short on numbers. If anyone is interested in private tennis lessons at the tennis court on a Monday after school (it would be a group lesson) or would like more information please speak to Raffie's mum Loo.

School Lunches

As everyone is aware, today is Linda's last day. We had a special assembly and gave Linda some lovely leaving gifts. Thank you to the parents who contributed towards these. We wish Linda all the best.

In the short term school meals will be cooked and brought over from Copplestone School while the governors make a decision about the long term arrangements. The meals will be served here as usual.

The Copplestone menu is the same one that we have been using, I'll attach it to the parentmail for ease of reference. The only change is Tuesday on Week Two which is Chicken Curry instead of Lemon Herb Chicken.
