Wednesday 24th January—Achieve4All After School Club

Thursday 25 January—Flute Lessons

Friday 26th January—Mr Middleton out of class—Mel Dorrell to cover the morning

## Message from Mrs Donne

We are fully in the swing of the new term now, and it's great to see the children enjoying their learning. The spring term always seems to be when they hit the ground running, and make a lot of progress now they are fully settled into their new year groups.

Just a reminder that shoes should be fully black for school uniform when you are buying new ones.

Welcome to a new member of our community who was born on Wednesday, congratulations to David and Amy on the birth of Arlo, I'm sure Michael will be a fantastic big brother!

## News from Swallow Class

It's been LOVELY to be back in Swallow class all day on Thursday and Friday this week after several meetings. We have been looking at 'story box' to make our own traditional tales in English, and conducted a really fun experiment in science where we tested how stretchy different elastic bands were. We've also continued our learning on the great fire of London looking at what life was like in Tudor times and how it's different to now.

# Stars of the Week

<b>Swallow Star of the Week is</b>	<b>Elodie</b> - for being ON FIRE in math's, being really quick with answers on the carpet and fully engaging with all her learning. Fantastic progress.
<b>Hare Star of the Week is</b>	<b>Joel</b> - for becoming a really important member of Hare Class. He is a really creative learner who makes great links between ideas and topics. Joel also brings his amazing general knowledge and curiosity to share with us!

## Menu W/C 22.01.24

Thursday	Beef Bolognese Mediterranean Vegetable Bolognese Chocolate Crunch & Chocolate Sauce	Jacket Potato School Packed Lunch
Friday	Jumbo Fish Finger Veggie Fingers Ice Lolly	Jacket Potato School Packed Lunch

# Round the World Club

We went to Japan this week! A little ambitious in the time frame we had, but we managed to make our own sushi (which was really fun and if your children enjoyed it I can share some tips for you to do it at home!) - I was really impressed by how many children were happy to add raw fish into their sushi rolls! We also made origami cranes, which was quite a challenge but everyone went home with a crane. There are loads of YouTube videos which take you through the steps if the children enjoyed it. It's part of the Japanese curriculum as it's really good for developing spatial awareness and the math's brain.

## Hare Class News

This week the Hares have written fantastic stories based on the structure of 'The Whistling Monster' by Jamila Gavin. Year 3 have been examining and experimenting on rocks and minerals while Year 5/6 have looked at how different animals have evolved.
